WHY STATIC CLING LABELS

Static cling labels are labels that stick on smooth surfaces due to the effect of static electricity. No adhesives are required to stick them, which translates to no grimy residual adhesive on the sticking surface! [Static cling labels](#) stick on smooth glass and metal surfaces and are easy to remove. It is a fast growing marketing medium and is considered a highly cost effective and powerful way to market products and services. Static labels are also increasingly used as auto dealers' labels and stickers.

At oilchangestickers, the static cling stickers find a very practical use. Oil change reminder stickers remind you when to change the oil in your car! Car windshields make the ideal surface for sticking static cling stickers. Sticking your service reminders and oilchange sticker on your windshield is a surefire way to ensure that you don't overlook these important maintenance tasks. Ordering static cling labels online, is easy. All you need to do is enter the information you want on each line of your oil change sticker, in the boxes provided on the website and submit. You can select the quantity of static labels based on your requirement which can vary from 250 to 20,000. Shipping on all orders is free and you also receive an online invoice for every order.

Static labels can be printed in many colors, which is why you can also have your company logo with these [service reminders](#). Static cling printers can print static cling stickers with requisite details and colors. The oil sticker printer available at Oilchangestickers can be programmed with your address information and the starter package includes enough ribbon and decals to produce 1000 oilchange reminder stickers. The inks used impart long lasting color and elegant double-sided imaging. Clear and white static cling stickers are also available.

Apart from being easy to remove and reposition, these stickers do not leave an adhesive stain on the surface. They are reusable and an economically viable and practical option. At Oilchangestickers, you can either order your stickers or buy a static cling printer, which can print the static cling labels. These printers are also sometimes called [window printers](#)

as static labels are also used on windows. On any glass or smooth surface they look attractive and colorful. Static cling printers are increasingly finding their uses in bigger establishments for printing vehicle oil reminder stickers, event notification and product marketing. With its multifarious uses and economic viability, static cling labels together with static cling printer are must-haves for both small and large businesses alike.

ONLINE OIL CHANGE LABELS

Online oil change labels from oilchangestickers.com have fast emerged as a popular mode for purchasing oil change stickers. Many opt to buy at the store for the range of stickers offered, ease of usage of the site and quality of the products.

Benefits

[Oil change stickers](#) per se have various benefits. They serve as a subliminal reminder to the driver every time he drives to help remind him when the oil was changed last and when it needs to be changed next. By bearing the name of the company, these stickers help customers to have top of mind recall about the company, an important advertising task for all brands, big and small.

Range

A wide range of oil change stickers and printers for these stickers are available to choose from. Buyers can choose between static cling labels, lube labels, tire rotation labels and timing belt labels to name a few. Static cling labels can cling on to clear smooth glass and metal surfaces without the need for any adhesive. Most importantly these are easily removable and reusable. Lube labels on the other hand are self adhesive and durable in tough weather conditions. Tire rotation labels and timing belt labels help to remind customers when it is due for tire rotation and changing the timing belt.

Ease of Ordering

With oilchangestickers.com it is easy to place an order for oil change stickers and get them delivered to your place. All the buyer needs to do is follow the simple procedures that are mentioned on the site. First select the decal you need from the list and images that are provided. Buyers can then add the required information in the provided fields. They can customize the sticker with their logo if they so choose. You then need to choose

the quantity required. Buyers can pick up 250 to 40,000 stickers as per their requirements. Prices are reasonable too.

High End Service

When you shop with Oilchangestickers, you can be sure of the best class in service. The store offers high end customization and you can choose to have your company logo printed. In case you have further queries, you can always choose to contact the store through an email or by phone. Help is just a call away. The store also provides shipping services that are totally free of cost for the consumer with no minimum decals ordered!

Oilchangestickers.com offers the best stickers that are made from the highest quality of materials and are made to last. The store understands that the sticker is not just a useful reminder for the user, but an important advertising tool for the company. Utmost care is thus taken to give only the best product at the most reasonable charges.

OIL CHANGE STICKERS

Oil Change Stickers one of the most effective and innovating marketing tools. They provide such valuable service that a customer not only appreciates but also values. [Oil change stickers](#) are the most cost effective, easy, innovative and effortless marketing tools of recent times, and they offer a valuable and practical service to the end user.

The best part about oil change stickers is that they tell you exactly when you need to change the oil in your car. The stickers mention the date and mileage number so that you do not skip the date of the next oil change.

Though they say that you should change the oil in your car every 3000 miles but it not necessary to do so. Big shots from big car companies say that you can stretch it up to 5000 miles. Since most of us do not remember when we last got the oil in the car changed, oil change stickers are a relief for us.

The oil change stickers are generally put on the windshield of a vehicle. There is a motive behind it. Every time the driver gets behind the wheels, the first thing that he sees is the oil change sticker. And he is immediately reminded of the due date for the next oil change. This more than helps in keeping a track of the routine maintenance.

The oil change stickers can be custom made. This means that you can get any information printed on the oil change sticker that you want. You can choose your own [lube decal](#) and your own content. In addition, you can even get your company logo or business logo printed on the oil change sticker on minimal prices. This gives your company free publicity and helps in keeping your company name top of mind for the customers. And it is unnecessary to say that it is very important in today's highly competitive and price driven world.

The oil change stickers are a big hit and sell very well because they give the customer the tools to sell their own product as well as keep track of car servicing. Oil change stickers are not very "in-your-face" marketing tools, but by being very subtle and mild ones, they are nonetheless effective. The pieces of clear plastic adorn advertisement as well as information for your business. And this is the reason they are so popular!

OIL CHANGE REMINDER LABELS AND STICKERS

Oil change reminder labels and stickers are the best ways of keeping a record of routine maintenance of your vehicle. Nobody remembers when was the oil in the car changed or when did the car last go in for servicing?

With the change in times, the lifestyle of the people has changed significantly. There is so much pressure of work and personal life that we generally tend to forget the little but the most important things in life like changing the oil in the car or sending it for servicing. In situations like this, oil change reminder labels and stickers are a blessing. They remind us of the trivial things in life, which are of high consequence.

Oil change reminder labels and stickers serve not only as reminders but also as advertisements. Oil change reminder labels and stickers can be custom made as per your needs. You can get any information printed on the stickers and labels. Be it your company logo or business logo, they all can appear on the oil change reminder stickers and labels. This acts as a free advertisement for your company, which is very important in today's highly competitive and money driven world.

The oil change reminder labels and stickers are easy to read and come with no adhesive. This makes your work all the more easy. Moreover, since these stickers and labels are custom made you can get any information printed on them and you will get discount on grouping different locations.

All the oil change reminder labels and stickers are printed on printers, which are as preprogrammed with your company's information well as whatever information you want to print on the stickers and labels.

Oil change reminder labels and stickers are made of very good static material, which helps these stickers and labels to stick to any window or smooth surface. Moreover, the adhesive used is of very high quality and does not leave any residue when the sticker is peeled off.

Oil change reminder labels and stickers are being used by most people now. And they are a big hit with them. So do not wait anymore. Get your oil change reminder stickers and labels now. Get it made according to your requirements and forget about the due date of oil change. You will never again need to remember the last time you got your car oil changed!

STATIC WINDOW STICKERS

Static window stickers are used as an effective marketing tool. Window stickers are a kind of service reminders, which are applied on the windshield of the car. Window stickers are small stickers, which remind the driver about the next oil change or servicing of the vehicle.

Usually a driver forgets about the dates of oil change or servicing, these stickers remind him/her about the due date. These stickers are applied with the help of an adhesive and can later be removed to apply the next sticker. Not only these stickers serve the drivers' interest as a reminder, they are also helpful for the service providing companies. The companies get these static window stickers printed with their company's message and logo.

These static cling stickers are easy to apply and are very effective in conveying the message. These static labels are low in price and serve as effective marketing tool. Many companies now prefer these service reminders for marketing purpose. The benefit is that they stay in place until they are removed. Also whenever the driver notices the stickers he/she is reminded of the servicing or oil change of the vehicle. In this way an automotive servicing company is able to retain the existing clients and get more clients as well. The driver also prefers them as they act as servicing reminders.

Oilchangestickers.com provides these service labels. The labels are available in different types from which you can choose a suitable one. You can get your message printed on these labels and also your company's logo for a better effect. Once you provide the message it is adjusted accordingly to the size of the label. The message is printed clearly to convey the message successfully. These stickers are made of plastic, so they require no maintenance and are easy in transportation. Oilchangestickers.com also provides free shipping services for the logos. Besides getting the stickers printed, you can also buy an [oil change sticker printer](#).

BUY LUBE STICKER PRINTER

Conveying your company's message through lube stickers is a very effective marketing strategy. Doing marketing for your company through lube stickers is a low cost affair. To print these static labels you can buy lube sticker printer.

A lube sticker printer can easily print these lube stickers and perform the marketing task in a subtle but effective way. The stickers can be printed according to your choice and bear the message you want to convey. These stickers are used as oil change stickers. The oil change stickers are applied on the window shield of the vehicle to remind the driver about the next oil change date. They are also called lube reminder stickers as they remind about the next due date of lube oil change.

Oilchangestickers.com provides these lube sticker printers. Oilchagstickers.com is offering a stand-alone printer system, which is available with a keyboard. The printer can produce 1,000 oil change stickers. The printer is pre-programmed according to your company's information, which makes it easy for your use. Free shipping service is provided for the delivery of the printer. Once you have bought a starter pack of a printer, you can also buy thermal ribbons and label refill kits later on. There are various prices offered on the number of printers you buy from oilchangestickers.com. There are a number of packages on the offering, which can save your money if you buy more than one printer. The lube decals printed with a printer can be helpful in prospering your business. It is a small price you pay for the marketing benefits you will get with the labels.

Purchasing a printer for printing lube reminder stickers is a better option than spending a huge amount of money in other promotional techniques. Service deals will remind the driver of the servicing date and he/she will return back for servicing to your company. This helps you have a good clientele. These lube decals are plastic stickers, which can easily be applied, and are also easily removable. With the message and logo of your company printed on the stickers, it serves as an effective tool in conveying your company's message.

PROTECT YOUR CUSTOMER'S KEYS BY KEY TAGS

With the number of automobiles that you work on in your oil change company, it is quite possible that you may misplace a key or get it confused with another set of keys. Very often, you have vehicles of the same make and color and losing track of what key goes with what car is bound to happen. And if that ever happens, it can have very inconvenient. But the good news is that there is a simple solution to help you can avoid confusing keys. Oil Change Stickers brings to you [automotive key tags](#) of various types and colors so that once a vehicle comes in, you identify it with a specific key tag. It may sound like a simple thing, but it is always the simple things that require the maximum attention, because most often it is overlooked.

You obviously don't want one of your valuable customer's car keys to be lost or misplaced. And if you do care about your customers, key tags become a necessity for keys to be organized and traceable. Their functionality coupled with economy make it a must have tool for your smooth functioning. At Oil Change Stickers, we offer you many different kinds of key tags that you can use as per your convenience. All of them come in sets and are an economically viable and practical option. They can be ordered online and with free shipping!

Plastic film key tags and versa tags come in many colors and make it easy for you to identify the cars, trucks, or other automotives. Clear plastic film with permanent adhesive seals can stick to the window and with their colors help in identification. They come in packages of 100 per pack. [Self locking key tags](#) or the versa tags enable you to write on these with any pen, pencil or marker and then fold over the clear laminate for durable protection. These also include chrome rings.

Automotive key tags are the solution for your service company where confusion is bound to happen, considering the volume of vehicles rolling in and out every day. With key tags you will never have to worry about any key being misplaced or getting mixed up. For a meager cost, you can become better organized and provide better service. You never

again have to go through the tension of having misplaced your customer's keys. Automotive key tags from [Oil Change Stickers](http://www.oilchangestickers.com) ensure that!

SEAT COVERS PROTECT YOUR CAR SEAT

Contrary to what most people think, the main idea of seat covers is not just beautification, but protection. The wear and tear that occurs on the seat is probably equivalent to the engine wear and tear, but unlike your customer's car engine that you take well care of, you generally tend to neglect the car seat and steering wheel cover. Protecting and beautifying, steering and seat covers help keep your customers satisfied.

Greece stains, chemical stains, water and other stains that could get on your customer's seats and steering wheels from your mechanics can really damage your customers' cars—and your reputation. By investing in [protective seat covers](#), you can protect your customers' vehicle interiors as a good seat cover can significantly reduce staining and tearing. Oil Change Stickers now bring you clear, plastic protective seat covers.

Our protective seat covers is designed to give you maximum protection and the best fit. They come in universal and custom made sizes and each one is made of high quality durable materials. They are easy to maintain and can be slipped on and off easily. While they withstand the stress of the workplace, they are easily disposable and can be replaced and reordered easily. We also bring you [steering wheel covers](#) in a variety of sizes and materials. They aid in protecting your customer's steering wheels from common workplace grit and grime.

Our protective seat covers are great value for money and provide long-term protection due to their durability. The days of worrying about permanently staining your customers' car seats and upholstery are now over. Protect upholstery interior with seat covers to keep your customers happy and satisfied. You can now be sure to satisfy your clientele with seat covers that can give them comfort, protection, and most of all, a smile of satisfaction!

PROTECT YOUR FLOORS BY PROTECTIVE FLOOR MATS

Car after car rolls into your business for routine maintenance. Well, it is obvious that you are giving your clients what they require most – satisfaction. Now, why not add another feather in your cap by using practical high quality floor mats that protect your customers' car interiors? Not only will your clients be completely satisfied but your popularity will also increase many times over, for the quality products you use to deliver each vehicle stain and grime free.

Most floor mats live a very short life span due to the atrocities they are generally subjected to. Snow, mud, grime, grease, oil, and rain make the plush carpets look like soggy spreads which can be quite an eyesore. Even mats made of other materials such as synthetics and rubber are prone to staining and spotting. Despite all your efforts to clean them, they may still look as you received them. Hence, it is important to take care that you don't stain your client's floor carpets with grease, water or other chemicals when carrying out your work. One blot is enough to strain relationships and lose clientele. So why not take special care?

We, at Oil Change Stickers have spared no efforts in providing high quality protective floor mats for cars and other automobiles. Our floor mats shield your customer's car carpets from unsightly stains and wear. Our plastic floor mats keep carpets clean by staying in place and repelling acids, oils, gas, solvents and cleaners. All these substances cannot soak through them. Our paper floor mats are perfect when the vehicles are ready for pick-up since they have a 'Thank You' message imprinted on them. As they are made of thick paper, they provide good protection for the carpet mats. Our water resistant mat offers all weather protection and comes imprinted with messages. Our protective floor mats are made to cover most standard automobiles. You can order them online and they are shipped to you with free shipping.

Luxurious carpet floor mats add style and protection to your vehicle, while [paper floor mats](#) and plastic floor mats make for a practical and economical option to protect the expensive flooring. Each one is guaranteed to provide lasting durability that can withstand mud, sand, slush or any other chemical or outdoor elements. With our protective floor mats, you now have one more reason to keep your clientele happy and satisfied.
